The style is accessible, though pedestrian, but this was a book screaming The Golden Thread for proper illustration, not stylised chapter-headings. Like the rest of Aus Licht in Amsterdam, this was performed with astonishing assurance by mostly young musicians who had trained for two years to learn and memorise not only the notes but also the movements and coordination required with a richly textured, multichannel electronic soundtrack that swirled around the audience in the Gashouder.

Some interesting facts but not enough depth to the stories to sustain. Apr 22, The building housed five garment factories supplying products for western retailers including Benetton, Walmart and Primark. Be the first to review this product. It's up to you!

The little booklet that comes with a purchase offers various meanings for each sail. Sails are made of synthetic fabrics, but those of the Viking longboats that made the near miraculous voyages were woven from linen, cotton, hemp and wool.
