As the organization's various roles become more diverse in terms of programme, product, or geographical location, one can see a more decentralized organizational structure with authority being delegated to those who are closest to the action. To make Leading Teams Revised Edition (Management Extra) decision tree it is necessary to: 1 identify the points of decision and alternatives available at each point, 2 identify the points of uncertainty and the type or range of alternative outcomes at each point, 3 estimate the probabilities of different events or results of action and the costs and gains associated with these actions, and 4 analyse

the alternative values to choose the next course of action. Identifying changes and staged approaches needed to move from the current situation to what will be required over the next three to five years 5. Readthereport. Good relationships strengthen the cooperation and increase loyalty and mutual trust. The programme allows trainers to quickly plan and deliver high quality, business-led courses.

Guelph:UniversityofGuelphPress. When employees are only told to work hard without any show of interest or empathy towards them from the leader, there is the risk that they will burn .
