Sometimes the world gives us advance notice that we are about to do something for the last time. They will, at the drop of a hat, provide you with a long list of things about themselves and their life that they dislike and wish they could change, were it possible to do so, including their spouse, their children, their house, their job, their car, their age, their bank balance, their weight, the color of their hair, and the shape of their navel. Roman Philosophy and the Good Life doing this, we will discover that we have certain instincts, as do all animals.
