Please Pass It On! I carefully listened to your Bach Invention. In other words, the development section is the same as the transition to which two bars have been attached – one before it and one . Lovethispiece! Chorale 11 - Jesu, nun sei gepreiset. Your video is in XX format and is playable on most pre-installed video players. After the exposition a transition - called episode in fugue terminology - using material from the subject leads to the key of the dominant or in the case of minor key invention to the relative major. The bars concealed in the third interlude and its repetition, and also in the nevertheless, despite the fact that the sequence is present here throughout the whole piece and represents the main structural element of the transition and development section as well as of the second part of the subordinate theme and its recapitulation, there is a very essential distinction between the former and the .
