Recognize and celebrate achievements No matter how small they may be, it's important to recognize and celebrate your child's achievements. Children who have experienced significant trauma without adequate parental support tend to have a heightened sense of vulnerability and sensitivity to environmental threats; experience high levels of guilt and shame; and have high rates of anxiety and depressive symptoms, including hyper-vigilance, hopelessness, anhedonia, suicidal ideation, and suicide attempts Armsworth and Holaday, ; van der Kolck, The data are clear and poignant regarding the lack of evidence-based strategies in fatherhood programs.
