Learn more about me. Thanks for sharing this amazing article. Are you using a Google Doc for this? The second part of the workshop comes in at just over 30 minutes long. I can write. I use your rubrics often to outline task expectations for my students and the feedback from them is how useful breaking every task into steps can be as they are learning new concepts. I like that you spend nine weeks on one genre. Each workbook includes more than gets confusing but reading your post helped out with some perspectives. Though my instruction is still not perfect is anything in teaching ever perfect?
