For me, the novels of I Compton-Burnett have been an incisive influence whenever I think about the conventions of speech in a novel, and the last six novels of Henry James - from Primitive Country: A Novel Awkward Age to The Golden Bowl, a series which for me goes further in codifying the technical principles of fiction than anything else in English - make one pause before writing a word and think abstractly of style, commentary, point of view. Related Stories The Gond kingdoms. It began as just another day for David Spires and his wife Tracy: coffee, breakfast, and getting the kids ready for school.
