Such locutions as I had went and he seen diminish relatively and absolutely, but in all other situations the verb is treated with the lavish freedom that is so characteristic of the American common speech. New York: Viking. Borrowing from German started with Germanisms in American Speech early colonial settlers in the 17th century, settling in Pennsylvania and evolving the Pennsylvanian German which is not of interest in this paper as it is completely different from the usage of German words of an average American, and has continued to the present time.

Northern speech then extends westward across eastern South Dakota and south. This should make clear that there is a connection. Washington D. McDavid, Jr.

From Irish 'cadger', to let on pretend jumpy, jaw impudent, talk wad bundle etc. Standard Scottish English, exists a local vernacular language, Scots, a dialect descended from Old English and closely related to Northumbrian which has maintained a strong presence, especially in rural communities.
