Well...now I feel ready! I moved them to the homepage URL of their respective sites and started writing for them like my life depended on it! Howdoyoudo that? People would laugh at the name of my book Tim and I both joke that we have the scammiest sounding book titles of all time. Because the leaders in whatever niche you are blogging about are already making money. On a side note, what do you think about forum marketing?

You need pillar posts to keep the people on your site 3. Your email address will
