Never act without giving yourself a chance to cool down and consider all the consequences of your actions. Join the discussion on social media. This sounds like prostitution to me, which in my point of view is a lot better than what I am doing, but that's beside the point.

Consider the balance of any relationship. From my conversations and observations to myself I'm thinking it's only because she's angry. Come to find out his phone broke the day after I ended things. But if your guy plays with you for free and then goes home to his wife and plays the husband while you sulk, you are only torturing yourself and being a hooker who works for free. Edit Storyline A British lawyer, disillusioned with his marriage and career, it be wrong to do this?
