When a husband and wife die within a day of each other, it can seem a bit suspicious, and even though the deaths of Francesco I de' Medici and wife were initially attributed to malaria, it didn't take long for people to cry murder. In total, three aboriginal children were killed; they all lived on the same street, and all three disappeared after community parties. Please wear appropriate footwear and watch your step, as sometimes we venture across fields or unpaved areas in search of the supernatural.
