The modern configuration of the automaton is the correlate of an electronic figure. The premises of postconceptual and contemporary art figure within Indigenous art, as indicated by the exhibition: . Recent developments in historiography, especially in France in the work of Pierre Nora and Paul Ricoeur, have lead to an important reassessment of the discipline of history after its fundamental socio-economic reshaping by the school of the Annales between the s and s. These mental processes interconnect practices of dissonances, gaps, heterochronies, representation, and interpretation, all of which have to do with return, a not-so-smooth return.
