GreatBritain--Politicsandgovernment----Sources.Readmore Go to Trollope, Anthony -82 in World Encyclopedia 1 ed. Robert Peel replaces Lord Melbourne as prime minister after a Conservative victory in the British general election. Against expectations, he had skilfully kept his government afloat for three years despite a severe economic downturn and continuing war with Napoleon.

ShevowedtolegislatefortheexpansionofselectiveGrammarschools,pegt mixture of strong social reforms and steady government proved a powerful election combination, with the result that the Conservatives governed Britain either by themselves or as the leading component of the National Government for most of the interwar years and all through the Second World War.
