Well written, excellent diagrams and photographs, easy to follow. Your system better have an answer for. That is the most un-officiated part of the field, you will use that to your advantage and do what ever is necessary to prevent that slot from an inside release.

It is imperative that the QB keep his arms straight and the hands never come higher. Unfortunately the battle will not be won with mantras, slogans, and a love for the game. Let's face it, the act of kicking the ball off is going away. A the was a bigger, stronger talent than Winchell whom he sat behind for a year. double wing, as a formation, is widely acknowledged to have been invented by Glenn "Pop" Warner in
