The premise: 1 Alter writes a book about the run-up to FDR's election and his historic first one-hundred days. On the contrary, the Republican Party leadership know that ultimately it is they and their anti-federal reform programs, and not their Democratic Party opponents, who ultimately benefit from gridlock in Washington - not least because the daily experience of that gridlock makes it ever more difficult for Democrats to pitch the case for the use of big government as a vehicle of progressive change.

Secure nuclear weapons materials in four years. Alter, whose obvious admiration for the Obama administration is evident in his book, also sees the law as a test case for the administration's approach to Cuba-United States relations. You are already subscribed to this email. The law also ordered an audit of the Federal Reserve, called for a study on possible conflicts of interest in credit rating agencies, and gave the Federal Deposit Insurance Corporation the authority to liquidate large

failing financial companies.
