Should we stop paying her directly and put money in escrow account? Then, look at comparable homes that have sold in the last six months.

His response. My husband passed away a year and half ago. If you are investing in multiple properties, you will have the need for a real estate agent with the expertise and knowledge of areas outside of your immediate vicinity. The agent can then show the home to prospective tenants with open inspections that showcase the property in the best possible light. Should that money be put aside and given to the renters at the end of the lease when they buy the home or is the money collected just subtracted from the purchase price?
