To cure his sense of inner emptiness, he spent his energies narcissistically acquiring and consuming desperately trying to fill a psychic and spiritual void. Sigmund Freud is rightly called the godfather of psychoanalysis. With a landscape architect, he turned this back acreage into a vast downward sloping field of grass with intermittent over and cactus gardens, with a variety of beautiful trees and shrubs. Advance article alerts. By the author of The Sane Society and The Anatomy of Hu Don't have an account? For Fromm, the latter is achieved through the positive unfolding of our potentialities, our human capacities for love, reason and productive work most of all. Signup. One is often left with the sense that authorities

invoked by Fromm, whether they be Aristotle, Spinoza, Freud or Marx, are felicitously shaped to fit the Frommian mold. Fromm was a different man from the often downcast person that his friends and family had once observed.
