From: C. Two subsequent project-team meetings were convened, in New York in January and June to review and finalize draft materials prepared by the various teams of writers.

Whereas Western feminists have mostly fought the notion that women are natural, on the contrary, the destruction of ecologically sound traditional technologies, often created and used by women, along with the destruction of their material base is generally believed to be responsible for the "feminisation" of poverty in societies which have had to bear the costs of resource destruction. Shop Books. Jeffrey, R.

Susan A. Aimee Armande Wilson. Participants learn how to examine their motivation for running; manage the nuts and bolts of

fundraising, budgeting, and campaign financing; strategize a successful campaign; and work effectively with the media.
