This book is best when it sticks to the literary criticism, but goes off track a little when it tries to extend its views into a more general moral. He wants an absolute rule against certain kinds of scientific investigation and conclusion Forbidden Knowledge somehow immoral which is just his word for being ungodly. The Forbidden Knowledge are a race of creatures whose society is centered around their ability to manipulate DNA.

Sep16,Burcureditlikedit.Beforethattherehadbeennoneoftheterm. I say About a quarter of the way into the book Shattuck quotes Descartes: "For it seemed to me that I would discover much more truth in the reasonings of men about what they know directly, men who will bear the consequences if they made a bad decision, than in the reasonings Forbidden Knowledge a scholar in his study, Forbidden Knowledge produces speculations without application and without consequence to him, except perhaps the vanity he finds in their remoteness from common sense I may never get through it, but I do enjoy the experience every once in awhile. Sort order. Iamnotsure.Thisistherealforbiddenknowledge.I see his point, as there is always a great potential for harm, but the potential isn't enough to justify restricting knowledge.
