It is absolutely repugnant to plunge your bare hands inside still warm carcasses, but because you get soiled with blood up to the shoulders and the sticky mixture of corporal fluids seeps into the gloves anyway, they are useless. They simply become indifferent, just like me, as time goes by.

Buttosaytherearenoconsequencesissimplydelusional.Althoughstudiesh antibiotic residues and residues of other medications in dairy products therefore come as no surprise. Whereas only female chickens lay eggs, male chicks are considered useless to the egg industry and are typically gassed or shredded alive.
