In the early 20th century, the problem of regulating prostitution according to modern European models was widely debated in Japan. The number of Swedish men who tell pollsters that they pay for sex has fallen, but that may reflect a reluctance to admit that they have committed a crime, rather than a genuine change in behaviour. The police also make things difficult for. A parliamentary document Kamerstuk is a written text exchanged between the Dutch government and the Dutch Parliament. Through this way we would notice that even in the Western world gender relations reproduce themselves through symbolic violence and physical dominion over women. Prostitution, payment for the exchange of sexual services, has The Idea of Prostitution been a source of heated debate—about its morality, legitimacy, and treatment by

governments.
